- LAYOUT -

The Azimut Grande 26M combines Alberto Mancini's striking exterior lines with sophisticated Italian interiors and a multi-level layout designed to maximise privacy, comfort and connection with the sea.

Its innovative Deck 2 Deck™ concept transforms the cockpit into an expansive sea-level terrace, creating an exceptional outdoor living area. Carbon-fibre construction contributes to reduced superstructure weight, while advanced propulsion technology is designed to improve efficiency and manoeuvrability.

The Grande 26M offers an exceptional balance of performance, refined entertaining spaces and superyacht-inspired luxury.
