### **DESCRIPTION**

Legasea is a popular Benetti 140' fast displacement yacht.

The VELOCE model has been well received by the buying community as she offers five vast outdoor entertaining areas, not found on significantly larger yachts. These include a massive flybridge/sundeck (largest in her class), a spacious covered dining area aft of the sky lounge and a large foredeck entertaining area, complete with pool. In addition to the sundeck and foredeck spaces, she offers a beach club aft and a large covered aft deck. Legasea celebrates a very high spec and excellent oversight throughout her build. All of this in a vessel that can cruise at up to 22kts.

With five staterooms, Legasea is super clean, lightly used and ready for adventures with a new owner.
